

# BOTTER

Venezia 1928

## SOAVE DOC

*Botter has been synonymous with wine since 1928. A wide range of products, the majority of which is made with grapes from native vines to emphasize its multi-territorial approach that embraces all of Italy.*

## INSPIRATION

Where it all began at the turn of the last century: Venice and its province.

## CONSUMER SEGMENT

Lovers of contemporary classics, dynamic people who stand out for their sophistication, even at the table.

## BRAND

The brand bears the name of the family that has been leading the company for three generations. In 1928 Carlo Botter and his wife Maria started a small retail business selling wines in bulk and in demijohns that became an entrepreneurial business model already by the late post-war period, when their sons, Arnaldo and Enzo started exporting bottled wines beyond national borders. At the end of the 90s the third generation - Annalisa, Alessandro and Luca - gave a further entrepreneurial impetus to the company, which led Botter S.p.A. to become a leader in the world of Italian wine.

## DESIGN

Together with the new payoff, it emphasizes the sense of belonging to a territory, a history, a culture and to the values of the city that the whole world knows and envies us for. The details in the packaging highlight the search for strong continuity with the past and, simultaneously, renewed momentum in the future: the soft wave that cuts across the label is a strong reference to fresh water, the gold leaf and gloss paint finishes evoke the glitz and glamour of the city's buildings; finally, the six horizontal lines are a tribute to Venice's sestieri.

## WINE STYLE

Suitable for every occasion, easy-drinking, pleasant to sip as an aperitif and perfect for enhancing everyday meals

## VENETO REGION

Temperate, mitigated by the sea, the chain of the Alps protects it from the northern winds. Winters are cold and wet, summers are hot and sultry with medium temperature excursions.

# BOTTER

Venezia 1928

## SOAVE DOC

Garganega, Trebbiano,  
Chardonnay

Clay,  
sandy soil

10/12 °C

Veneto

### VINIFICATION:

De-stemmed grapes are softly pressed. The must obtained ferments for 8/12 days at a controlled temperature of 15/17 °C in stainless steel tanks. The wine is then stored at 18/20 °C, in stainless steel tanks, until bottling.

12% vol  
750 ml

Straw yellow colour tending  
towards greenish tinged

Fresh and delicate with hints of  
cherry and elderberry blossoms

On the palate it is flavoursome,  
dry, elegant and harmonious with  
a crispy finish

Excellent as aperitif, it matches  
cold cuts, soups, fish and roasts
