

# BOTTER

Venezia 1928

## SPUMANTE BRUT

*Botter has been synonymous with wine since 1928. A wide range of products, the majority of which is made with grapes from native vines to emphasize its multi-territorial approach that embraces all of Italy.*

## INSPIRATION

Where it all began at the turn of the last century: Venice and its province.

## CONSUMER SEGMENT

Lovers of contemporary classics, dynamic people who stand out for their sophistication, even at the table.

## BRAND

The brand bears the name of the family that has been leading the company for three generations. In 1928 Carlo Botter and his wife Maria started a small retail business selling wines in bulk and in demijohns that became an entrepreneurial business model already by the late post-war period, when their sons, Arnaldo and Enzo started exporting bottled wines beyond national borders. At the end of the 90s the third generation - Annalisa, Alessandro and Luca - gave a further entrepreneurial impetus to the company, which led Botter S.p.A. to become a leader in the world of Italian wine.

## DESIGN

Together with the new payoff, it emphasizes the sense of belonging to a territory, a history, a culture and to the values of the city that the whole world knows and envies us for. The details in the packaging highlight the search for strong continuity with the past and, simultaneously, renewed momentum in the future: the soft wave that cuts across the label is a strong reference to fresh water, the gold leaf and gloss paint finishes evoke the glitz and glamour of the city's buildings; finally, the six horizontal lines are a tribute to Venice's sestieri.

## WINE STYLE

Suitable for every occasion, easy-drinking, pleasant to sip as an aperitif and perfect for enhancing everyday meals

## VENETO REGION

Temperate, mitigated by the sea, the chain of the Alps protects it from the northern winds. Winters are cold and wet, summers are hot and sultry with medium temperature excursions.

## SPUMANTE BRUT

Glera, Chardonnay

Clay,  
sandy soil

8/10 °C

Veneto

### VINIFICATION:

The soft pressed must is stored in steel tanks for the static cold decanting. The fermentation with selected yeasts, is made at a controlled constant temperature of 18°C and is completed in 8/10 days. The team of oenologists select the best wines obtained to continue the sparkling winemaking process. Afterwards the wine is filtered in steel tanks with the addition of must and selected yeasts for the second fermentation (Martinotti - Charmat method) at a controlled temperature of 14/15 °C. Once the wine has reached the required pressure levels, alcohol and sugar content, it is refrigerated, cold stabilized (-2/-3°C), filtered and controlled before bottling.

11% vol  
750 ml

Pale straw yellow with greenish shades

Delicate notes of bread crust and yeast are easily recognizable, and melt perfectly with the fruity notes of mature apple

Harmonious, fresh with a long and sapid finish

Excellent with vegetable or seafood starters, soups and risotto, and main dishes based on grilled fish and delicate white meats
