BRAND

The brand bears the name of the family that has been leading the company for three generations. In 1928 Carlo Botter and his wife Maria started a small retail business selling wines in bulk and in demijohns that became an entrepreneurial business model already by the late post-war period, when their sons, Arnaldo and Enzo started exporting bottled wines beyond national borders. At the end of the 90s the third generation - Annalisa, Alessandro and Luca - gave a further entrepreneurial impetus to the company, which led Botter S.p.A. to become a leader in the world of Italian wine.

DESIGN

Fresh and straightforward; the wine label design, which features simple and intuitive references to nature, is just as captivating as the wine.
